

**In the Claims**

Claims 7 and 15, please cancel without prejudice to the subsequent filing of a continuation application.

Claims 1, 9, 16, and 22, please amend as follows:

1. (Amended) Apparatus comprising:

a seat including a seat portion and an attached seat back portion;

a uniform top, having a lower end, fitted over the seat back portion and a uniform bottom, having a rearward end, fitted over the seat portion;

an engagement assembly carried by one of the lower end of the uniform top and the rearward end of the uniform bottom;

a complementary engagement assembly carried the the other of the lower end of the uniform top and the rearward end of the uniform bottom; and

the engagement assembly detachably engaged to the complementary engagement assembly detachably engaging the lower end of the uniform top to the rearward end of the uniform bottom.

9. (Amended) In a seat including a seat portion and an attached seat back portion, apparatus comprising:

a uniform top, having a lower end, sized and shaped to [be capable of being fitted] fit over the seat back portion; [and]

a uniform bottom, having a rearward end, sized and shaped to [be capable of being fitted] fit over the seat portion;

an engagement assembly carried by one of the lower end of the uniform top and the rearward end of the uniform bottom;

a complementary engagement assembly carried by the other of the lower end of the uniform top and the rearward end of the uniform bottom; and

wherein the engagement assembly is adapted to be detachably engaged to the complementary engagement assembly so as to detachably engage the lower end of the uniform top to the rearward end of the uniform bottom when the uniform top is fitted over the seat

back portion and the uniform bottom is fitted over the  
seat portion.

16. (Amended) Apparatus comprising:

a stadium for team sports events with seats for spectators and team adornment [of a team] adorning the stadium, each of the seats including a seat portion and an attached seat back portion;

the team adornment identifying a team; and

each of the seats having an attached uniform including a uniform top fitted over the seat back portion thereof and a uniform bottom fitted over the seat portion thereof, the uniform top and the uniform bottom supporting uniform adornment that identifies members of the team.

22. (Amended) In a stadium for team sports events with seats for spectators and team adornment [of] identifying a team adorning the stadium, each of the seats including a seat portion and an attached seat back portion, a method comprising steps of:

providing uniforms each including a uniform top that is sized and shaped to [be capable of being fitted] fit over the seat back portion of one of the seats and a uniform bottom that is sized and shaped to fit [capable of being fitted] over the seat portion of one of the seats, the uniform top and the uniform bottom of each uniform supporting uniform adornment that identifies members of the team; and

fitting the uniform top and the uniform bottom of each of the uniforms over the seat back and the seat bottom of one of the seats.

The thorough and thoughtful examination of this application is sincerely appreciated in advance.
